Annwyl Terrance a Maria

I was very pleased to read in the Daily Post this week about your recent successes.

Congratulations indeed on winning the Investors in People Award. I realise that a lot of work and due diligence goes into qualifying for this esteemed award.

Likewise, I was also pleased to learn about the Ryder Cup contract – it is excellent news to see a local company benefiting in this way from this prestigious event.

It's great to see Menyn's going from strength to strength!
